Verse 1:

D  
You and me and rain on the roof  
A7 D  
Caught up in a summer shower  
A7 D  
Dryin' while it soaks the flowers  
E7 A7  
Maybe we'll be caught for hours  
Em A A7  
Waitin' out the sun

Refrain 1:

D  
You and me were gabbin' away  
A7  
Dreamy conversation sittin' in the hay  
D G  
Honey, how long was I laughing in the rain with you  
D A7 D  
'Cause I didn't feel a drop 'til the thunder brought us to

[repeat intro]

Refrain 2:

D  
You and me underneath the roof of tin  
A7  
Pretty comfy feelin' how the rain ain't leakin' in  
D G  
We can sit and dry just as long as it can pour  
D A7 D  
'Cause the way it makes you look makes me hope it rains some more

Break 2:
